Dear [redacted]

I was very much interested to get your letter of July 30, 1952, with regard to your brother. We are on the lookout for persons with his qualifications and I would welcome the chance to have a talk with him in case he should be in Washington. If this is not convenient, possibly I can see him sometime when I am in New York although I have no very definite plans as to when that will be.

STAT

As you can well understand, [redacted] is occupying a good deal of our time and attention here these days. Just at the moment there seems to be a slight ray of light but in a very dark situation.

We all appreciate here the help you extend to [redacted] whose reports of course reach us.

Sincerely,
